

Last year, with your support, Denbigh in Bloom not only won Gold in 'Wales in Bloom', we also won 'Best Town' in Wales again – Three years running! This year Denbigh is also hosting the awards ceremony.

Last year, there were almost 60 Pots for Shops through the centre of town! The enthusiasm from local businesses was amazing and the feedback from residents, visitors and business owners alike was really positive, so perhaps you would be interested in joining again this year?

If you would like to place a repeat order this year, the price per pot for existing customers is **£12**, which covers the costs of the pot, the compost, feed and the plants. If you would like to take part for the first time, the price is **£14** per pot.

Please confirm your order by returning your completed form by email to denbighinbloom@hotmail.com or to Lyndsey Tasker at the Carpet Emporium (01745 814235). Orders must be placed by **13th March 2023** to ensure we can fulfil all requests. We consult the waitlist after this date, so please confirm your order before the 13th March to avoid disappointment.

As a group of volunteers who have needed to fundraise to cover this scheme, there is a bit of small print, that we'd like to draw your attention to:

- Pots for Shops is a leasing scheme and **the pots remain the property of Denbigh in Bloom**
- All pots will be delivered in May/early June and collected back during the month of October
- Any pots which are lost or damaged do not qualify for the reduced rate as replacements will have to be purchased
- Plant pots will be supplied filled with compost, appropriate summer bedding plants and a care and maintenance guide for the individual business to look after them. Denbigh in Bloom is not responsible for the care of the plants once the pots have been delivered
- Plants are selected specifically to last throughout the season and are chosen at Denbigh in Bloom's discretion
- Each business must ensure that their pots are positioned safely and securely so as not to obstruct pavements or create a hazard
- We strongly advise pots are brought in each evening to ensure they are not stolen or vandalised. Each business is responsible for their own pots
- Denbigh in Bloom reserves the right to withdraw your pots at any time
- Pots will be delivered upon receipt of payment and no refunds can be given once an order is placed. If a receipt is required, please provide an email address for us to send it to
- If you have any questions related to the scheme or plants once delivered, please email us at denbighinbloom@hotmail.com or call Lyndsey (number above)

Order Form
